To whom it may concern,

Richard Law served as a leave-replacement Librarian at Centre Avenue School between January 3 and April 3 2011. Mr. Law assumed all responsibilities of the full time Librarian which included managing the circulation of 10,000 titles to over 350 students in a K-6 configuration. He planned and delivered lessons weekly to each of the 15 sections and coordinated such lessons with classroom teachers. Mr. Law also helped students research numerous projects as assigned by teachers. He worked well with the Library Aide and kept the Library running smoothly and efficiently.

Mr. Law is a kind and hard working Library Media Specialist. His knowledge in the area of technology is strong. He was very easy to work with and took constructive criticism well. His upbeat attitude and his willingness to take learning risks with students served him well.

I enjoyed Mr. Law's time at Centre Avenue School and know that he will succeed in any position given. If you would like to discuss Mr. Law's abilities, please call me at the Centre Avenue School office at 516-887-8300 Ext. 224.

Sincerely,

Timothy B. Silk, Principal
